# WE PADDLE AS ONE

## ALOHA

Hawaii is defined by its passionate and gracious people, who are also highly effective. How appropriate for WOHC to return to the islands for this descriptor captures the essence of our western component to ACOEM as well. The Polynesians sailed around the world utilizing ancient navigation techniques, but it took a village to make the voyage successful. OEM professionals are positioned to navigate the health care world of 2017 and beyond with our focus on functionality, prevention, the environment, and the well-being of our communities. We paddle as one: we are the village who can complete the journey and deliver the outcomes.

WOHC 2017 offers clinical sessions that cover the broad spectrum of OEM, presented with a heightened emphasis on meaningful adult education: fast-paced, focused, cutting-edge, and practical. There are multiple opportunities for enriching one's practice as well as personal well-being. Our goal is to foster rejuvenation of mind, body, and soul. The conference is designed to inspire positive change in 2017 and the years to come.

I am humbled and honored to serve as your chair, as I did in 2013. I speak for our planning committee of 32 WOEMA members when I say that we look forward to seeing you in Hawaii!

Me ke aloha pumehana,

**Bernyce Peplowski, DO, MS, FACOEM**  
WOHC 2017 Conference Chair

## OUR MISSION

The educational mission of the Western Occupational & Environmental Medical Association (WOEMA) is to change the way our constituents practice medicine such that the health and well-being of their patients improve. Specifically, WOEMA seeks to prevent occupational illness and injury and expedite patient recovery time from injury. Our continuing medical education (CME) programs strive to improve our learners' clinical decision-making skills in order to improve overall worker health. The WOEMA Board of Directors and the Committee on Education of WOEMA believe that CME is the pathway to achieving the Association's mission. Our intention is to provide CME that is timely, dynamic, engaging, and accessible in order to support and inspire life-long learning.

## POST-GRADUATE SESSIONS THURSDAY, SEPTEMBER 14

### MORNING

7:00 am – 11:30 am

#### **AMA Disability Text: Real World Examples & Case Discussions of Disability, Impairment, & Return to Work (PG-1)**

*Stephen Frangos, MD; Mark Hyman, MD; Steve Wiesner, MD*

Many sources provide mixed messages to injured workers as to what is best for them. Do you know the spectrum of problems one might create as a clinician when we place patients off work? Learn the principles and practical pearls in "AMA Guides to Evaluation of a Work Ability and RTW." Lock in the learning by group discussion of case presentations. Participants will also be provided with tools for managing difficult conversations.

7:00 am – 11:30 am

#### **Power Ortho - Everything You Ever Wanted to Know About Orthopedics but Were Afraid to Ask (PG-2)**

*Christopher Bayne, MD; Kevin Burnham, MD; James Van den Bogaerde, MD*

Rub elbows with a joint surgeon, know your knee, and get a handle on your hand exam. Get up-to-date, and up close and personal with the pros as they demonstrate physical exam techniques and provide multi-diagnostic and treatment pearls ranging from ortho injections, advanced imaging, management of degenerative joint disease in a WC setting, and the latest evidence and low-down on some of the newer regenerative sports med treatments. Plus - red flags and what not to miss.

### EVENING

5:15 pm – 8:15 pm

#### **How to Excel as an Independent Medical Evaluator: Secrets to Success (PG-3)**

*Chris Brigham, MD; Lorne Direnfeld, MD; Steve Feinberg, MD*

Learn "secrets" and best practices for having a successful and independent medical evaluation (IME) practice - whether this is part of your existing practice or your new focus. To be successful you need to be: 1) an excellent clinician, 2) understand IME issues (i.e., assessment of causation, apportionment, impairment, and work-ability), and 3) know how to develop, grow, and sustain a successful IME practice - one that you enjoy and is profitable. In this unique workshop, you will learn from the experiences of others who have achieved success - including what works and, equally important, what does not. The format is a lively discussion, focusing on important questions that you need to know the answers to. Questions such as how do I: 1) consider performing independent medical evaluations? 2) Start and run a successful IME practice, one that I enjoy and is profitable? 3) Attract quality clients? 4) Work with IME companies? 5) Enhance my reputation? 6) Be efficient in performing evaluations that result in thorough and persuasive reports? 7) Deal with difficult ethical issues? 8) Know the most common mistakes and avoid them? 9) Minimize any risks? If you perform IMEs or are considering doing this work, you will want to actively participate in this outstanding workshop - you have so much to gain. All of your questions will be answered.

## NETWORKING OPPORTUNITIES & SPECIAL EVENTS

### WEDNESDAY, SEPTEMBER 13

5:00 pm – 7:00 pm

#### Aloha Hospitality Suite

After you unpack and get ready to make your way down to the beach for a dip in the ocean, stop by our WOHC Hospitality Suite to enjoy an island cocktail while meeting other conference attendees.

### THURSDAY, SEPTEMBER 14

4:00 pm – 5:00 pm

#### Welcome Reception

All conference delegates and their guests are warmly invited to attend the opening reception, our official kick-off to the conference. In addition to getting acquainted with conference attendees, you'll meet our exhibitors who bring forward their latest products/services and provide a gateway to new ideas and opportunities.

### FRIDAY, SEPTEMBER 15

6:00 pm – 9:00 pm

#### WOEMA Signature Event - Tastes of Polynesia

WOEMA invites you to join us for our Signature Event, Tastes of Polynesia. You'll enjoy a fresh farm-to-table meal, sourced from local Hawaiian producers, have an opportunity to taste local liquors, learn how to make a lei and meet with local crafters to

learn about the local traditions of Hawaii and the Pacific Islands, all while enjoying local music and a gorgeous 180-degree view of the Pacific. Let us show you the way of Aloha! (Advanced-ticket purchase required. See registration form for details.)

### SATURDAY, SEPTEMBER 16

1:15 pm – 3:00 pm

#### Women's Luncheon – I am Woman, Should I Roar?: The Linguistics of Leadership

Join us for WOEMA's first-ever luncheon devoted to our Wahine members. Relax and mingle at our poolside setting, and then enjoy a guided conversation with Dr. Barbara Hernandez, Director of Physician Vitality at Loma Linda University. Explore how women's use of language and communication impacts our daily work in medicine. (Advanced-ticket purchase required. See registration form for details.)

8:30 pm – 9:30 pm

#### After-Glow Reception

Enjoy an after-dinner digestif or coffee, a divine selection of desserts, and mingling with friends and colleagues around the fire pit to say "a hui hou" (good-bye until we meet again).

## CONTINUING MEDICAL EDUCATION

WOEMA is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. WOEMA takes responsibility for the content, quality and scientific integrity of this CME activity.

WOEMA designates this live educational activity for a maximum of 22 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**AAFP:** Application for CME credit has been filed with the American Academy of Family Physicians (AAFP). Determination of credit is pending.

**ABPM:** The American Board of Preventive Medicine (ABPM) has approved this activity for a maximum of 22 LLCA credits towards ABPM MOC Part II requirements.

**AOA:** This conference is eligible for Category 2-A credit from the American Osteopathic Association.

**QME Credit:** WOHC is accredited by the Administrative Director of The California Division of Workers' Compensation for Qualified Medical Evaluator continuing education. Provider Number: 340

**Nurses:** Provider approved by the California Board of Registered Nursing, Provider #CEP16438 for 22 Contact Hours.

The American Board of Occupational Health Nurses (ABOHN), American Nurses Credentialing Center (ANCC), American Academy of Nurse Practitioners (AANP), and American Academy of Physician Assistants (AAPA) accept certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the ACCME or a recognized state medical society. Please check directly with your own licensing and/or certification agency for eligibility of these credits.

## EDUCATIONAL OBJECTIVES
